

## MEDIA RELEASE

# Inaugural QVS/QAS Product Showcase Cruise hailed a success!

Monday, 7 September 2009

The Inaugural QVS/QAS Product Showcase took place at Darling Harbour on August 24 and 25, 2009 and proved to be an educational and entertaining alternative to traditional product displays and demonstrations.

Spread over a total of six cruises across the two days, each showcase gave attendees the opportunity to meet with factory staff from Pelco, DSC and Samsung with the industry leaders giving tantalising glimpses of upcoming products such as the Sarix Megapixel Dome system from Pelco and the new ACS Biometric/RFID Access Control System from Samsung Electronic.

Additionally Q Video Systems clients were able to mix with security industry colleagues and peers against the stunning backdrop of Sydney Harbour; arriving back in plenty of time to enjoy other security industry events taking place on shore.

The security industry gets together in 2010 on September 1<sup>st</sup> to 3<sup>rd</sup> and, as it's Q Video Systems' intention to make the Product Showcase Cruise a regular, annual event keep watching [www.qcctv.com.au](http://www.qcctv.com.au) for details of next years QVS Product Showcase Cruise.

### **About Q Video Systems**

A wholly owned subsidiary of QRSciences Pty Ltd (ASX: QRS) (QRSNY:PK) Q Video is a direct seller and distributor of surveillance and monitoring equipment, including closed circuit television (CCTV) security cameras, digital video recorders (DVR) and related components. Since its establishment in March 2005, the business has grown rapidly and currently employs over 29 people with warehouse, showroom and office facilities in Melbourne, Sydney, Brisbane and more recently Perth.

For further information on the QVS product range and Q Video Systems please contact Paul Thompson at [pthompson@qcctv.com.au](mailto:pthompson@qcctv.com.au) or visit [www.qcctv.com.au](http://www.qcctv.com.au) .
