

# QVS-HOUSINGS

## Economy Series Camera Housings and Brackets

- **Rated up to IP66**  
(see specific product descriptions for details)
- **Heater & Blower Options**
- **Aluminium Construction**
- **Flip Top, Side and Front Opening Options**

#### IDEAL FOR APPLICATIONS SUCH AS:

- **Airports, Government and Military Installations**
- **Retail, Commercial & Industrial**
- **Highways and Transportation**
- **Street Surveillance**

The QVS range of CCTV Camera Enclosures has been designed to provide a variety of options at an economical price. From simple, easy to install 'back opening' enclosures to IP66 rated housings with sunshield, heater and blower, the range has a product for almost every application.

These stylish housings have been thoughtfully designed, so not only do they look good, but they are also very easy to fit and service. Options include housings which feature side opening enclosures for easy access and also an integral bracket through which the cables can be fed ensuring a more secure installation.

**QVS products are the premier choice for virtually any application.**
